Hello!

I frequently visit your store to purchase personal care and hair care products. I would love to be able to buy PuffCuff Hair Clamps here also. PuffCuff is the only hair clamp specially designed for thick, curly or textured hair. Did you know that approximately 60 percent of the world's population has curly hair but less than 5% of existing hair accessories are designed for use with thick curly hair?

I want to purchase the PuffCuff line of products in your store. You can reach the PuffCuff team by emailing **info@thepuffcuff.com** or calling **678.322.7235** to discuss carrying their line of products in this store.

If you could please email me at once you have the product in stock I would greatly appreciate it. PuffCuff is showing up in stores internationally, but sadly I can't find it in our area. There's truly nothing like the PuffCuff Hair Clamp line of products!

Thank you!

A dedicated customer
